## TESTIMONIALS

On The Ball Soccer Camp is the best camp I have ever experienced, our guys look forward to it every year, it has become a tradition for our program. Not only do they love the games, but the 3v3 tourney is top notch! It is a great way to get a first look at our team before we head into our season!

**Doug Amend - Head Boy's Coach, Ross H.S.**

The On The Ball high school team camp is something that our players and coaches look forward to every year. It is a great way to develop team chemistry, and determine where our players are at before the start of the fall season. For players, the 3v3 tournament is usually the highlight of the weekend. The clinics put on by Coach Smyth are also a great opportunity for coaches to further develop their coaching styles/techniques! This is a great weekend full of soccer and fun for players, coaches, and parents!
